

# GOLD INVERTER

JARTON SERIES

Voice command smart air-conditioner with Clean air innovation.  
 Fresh clean air by 3 special color filters and PM2.5 filter with  
 Golden Titanium fin coil coated

Wi-Fi Control

Self-Cleaning Function

Energy Saving

PM2.5 Filter

Golden Titanium Coil

Fan Coil Unit : WXI-F2

# Filter PM2.5

PM2.5 filter is able to filter out particulates that have a diameter of 2.5 micrometers (microns) or less for better air quality in your room

Condensing Unit : AXI-F2

- Red Anti-formaldehyde Material**  
Material Filter formaldehyde/total substances To trap dust well
- Vitamin C**  
Release Vitamin C to strengthen Immunity, skin care
- Active Carbon**  
Absorbs dust in the air and Unpleasant smell

Golden Titanium Fin

Hydrophilic Fin

Golden titanium fins air flow through easily no droplet at the fin surface lower moisture not suitable for mold to live more durable than normal fins higher energy saving

Remote Control

**4 Speed Fan**  
4 steps adjustable airflow TURBO-HIGH-MEDIUM-LOW for turbo cool or quiet cool

**Turbo Fan**  
The Powerful turbo motor cools the room quickly while operating quietly

**Fungusproof**  
It will remove moisture and inhibit growth. growth of bacteria

**Timer On / Off**  
24-hour timer for turning on or turning off the air conditioning system

**Feeling**  
Using intelligent sensor technology, the system adjusts the air supply temperature more accurately to maintain the desired comfort level.

**Clean**  
after closing The air conditioning system will remove accumulated moisture. Prevents the growth of bacteria

Durable and Cleanliness Technology

Evaporator Anti-Corrosion

SPECIFICATIONS | MODEL : WXI-F2 / AXI-F2

<b>Nominal Cooling Capacity</b>	BTU/Hr	<b>9,200</b>	<b>13,200</b>	<b>18,200</b>	<b>24,600</b>
